LETTER REGARDING PATENT TERM ADJUSTMENT

The Patent Term Adjustment (PTA) calculation included in the Issue Notification mailed February 3, 2010 for the above-referenced application indicates the PTA is 161 days. This PTA appears to contain an error.

In good faith and candor, Patentees direct the Office's attention to a Notice of Improper Request for Continued Examination mailed in May 2006, and a Request to Withdraw Application from Issuance filed in September 2006, for which no Applicant Delay was assessed.

Patentees believe that no fee is due at this time. Any fees that may be due, however, may be applied to Deposit Account No. 06-1050.

Respectfully submitted,

Date: March 2, 2010
